

RIPADO WPC GS

GS WPC SLAT WALL COVERING | REVÊTEMENT MURAL EN LATTES DE WPC GS

INTERIOR

Interior | Intérieur

A gama de Painéis Ripados WPC GS nasce de um desafiante projeto fruto da fabricação própria GOSIMAT e dos seus fortes índices de inovação e tecnologia!

O seu lançamento foi primorosamente desenvolvido com o intuito de facilitar e otimizar os projetos dos profissionais de decoração, arquitetura e engenharia.

Os Ripados WPC destacam-se pela sua beleza natural, o seu toque, o seu acabamento e a sua forte adaptabilidade em obra! A sua aplicação é exclusiva para o interior e para além de se revelar extremamente fácil, é bastante versátil permitindo um trabalho totalmente dinâmico e perfeito em paredes, divisórias, painéis, tetos e otimizam ambientes únicos e distintos!

Consiga um maior conforto térmico e acústico e divirta-se com a escolha da enorme panóplia de cores e padrões que disponibilizamos, desde o vinil, a folha de madeira e os lacados.

Soluções que integram diferentes propósitos e proporcionam um impacto decorativo verdadeiramente marcante, com a assinatura e garantia de qualidade da nossa marca GS CONCEPT!

(EN)

The WPC Slat Wall coverings as trendy range by GS CONCEPT dawned from a challenging project of GOSIMAT's own manufacturing! They were exquisitely developed to simplify and optimize the projects of decorators, architects and interior designers.

The GS CONCEPT Slat Wall coverings stand out for the natural beauty, touch, finish and strong adaptability on site! The extremely easy and versatile installation allows a total dynamic and perfect work on walls, partitions, panels and ceilings, creating unique and distinct environments! Achieve greater thermal and acoustic comfort in your projects and have fun with the range of colors and patterns we offer, from vinyl, wood veneer and lacquered.

Solutions for different projects that provide a truly striking decorative impact, with the signature and quality assurance of our GS CONCEPT brand!

(FR)

La gamme de revêtement mural en lattes GS CONCEPT fabriqué en WPC est née d'un projet ambitieux de la propre fabrication de GOSIMAT et de ses forts indices d'innovation et de technologie !
